HOW TO MANAGE A SUSPECTED CASE OF COVID-19

Dear guests,

It is our duty to inform you how to deal with a potentially positive case of COVID-19.

1. Immediately call the hotel's Doctor Mr.....

2. If the person is in urgent need of hospitalization, call the EMS (emergency medical services) at **+30 2242054311** or **+30 6932 656 725**. For aerial transport call the General Hospital of Kos at **+30 2242022300** or **+30 2242060200** or the Doctor on duty at the G.H. of Kos at **+30 2242360306**.
3. If the person presents mild symptoms, the hotel Doctor will collect the samples needed for the verification of a COVID-19 case.
4. In the event of a potentially positive evaluation, read below:
 - I. The hotel's healthcare responsible will immediately call the N.P.H.O. (national public health organization) at the 4 digit number **1135** or at **2105212054** , in order to report the case.
 - II. Quarantine measures will be taken in the guest's room until further notice from the laboratory about the sample test result, while the hotel's H.C. responsible will carry out all the necessary procedures (regarding staff, social distancing and personal protection measures such as face masks, gloves and single use waterproof aprons.
5. If the result is COVID-19 positive, the patient is transferred to Special Hotel.....
and later to the COVID-19 facility at the G.H of Kos.
 - I. The patient will be transferred with a private vehicle, applying all the required measures.
 - II. In case of a companion, safety measures (gloves, mask, use of antiseptic gel) are mandatory

6. If the result is COVID-19 negative, the treatment will take place at the hotel with the Doctor's guidance applying, always all the precautionary measures previously mentioned.

Together we can accomplish much more
Thank you for your attention
